

AAA LANDSCAPE SPECIALISTS, INC. WINS FIRST PLACE TROPHY AWARD FOR HONG RESIDENCE

The California Landscape Contractors Association presented AAA Landscape Specialists, Inc. of San Marcos a prestigious First Place Trophy Award in the Landscape Renovation category for their work on the Hong Residence.

Aquascape, Inc. sponsored the award, which was presented during the association's annual convention November 17, 2011.

Two high-regarded green industry veterans traveled state-wide to personally inspect each and every one of the 150-plus Trophy Award entrants. The judges, who rated projects on their artistic and technical merits, were impressed with AAA Landscape Specialists, Inc.'s work. "AAA Landscape Specialists' top-notch stonework adds to the solid, professional look of this estate-size project," says Trophy Award Judge Rick Myers, a recognized Life Member of the California Landscape Contractors Association.

The California Landscape Contractors Association sponsors the Trophy Awards to encourage interest in landscaping, recognize crafts people who produce outstanding landscapes, create pride in superior workmanship and to bestow public recognition on companies, institutions, municipalities and residents for their interest in a beautiful California.

When asked to talk about AAA Landscape Specialists, Inc., representative David Silver said, "AAA Landscaping offers a friendly, dedicated, and professional approach to completing a landscape project on time and to the customer's satisfaction"

The California Landscape Contractors Association is a non-profit trade organization of licensed landscape and landscape-related contractors. Also included among its approximately 3,000 members are landscape suppliers, landscape architects, public officials, educators, and students.
